A new, high -quality path to free college credit has launch ed this year. WHO IS MAKI NG THIS POSSIBLE?

Modern States, the New York -based charitable organization behind the effort, has funded production of online courses taught by college professors. The courses prepare students for introductory College Level Examination Program (CLEP) exam s in Economics, Sociology, Algebra, and other areas.

HOW DOES THIS LEAD TO CREDIT?

The CLEP exams, administered by the College Board, are accepted for credit by more than 2,900 college and universities. To launch its program Modern States is partnering wi th high schools and colleges that are making students aware of the opportunity.

WHY PARTICIPATE?
